ABSTRACT: This set of instructions follows the format required for the ICHD 2016 abstracts.

1. INTRODUCTION

Please convert your ICHD2016 paper to a PDF file and upload it before June 1st. Be sure to embed the fonts when creating the PDF.

- The maximum length of the paper is 10 pages
- DO NOT password protect your file.
- Make sure the filename has only one extension (".pdf")

All submitted papers will undergo a thorough peer review and will be selected upon recommendation. The review is based on scientific quality, significance, novelty and relevance to the conference topics. Following the review process you will receive a notification on July 1st, 2016. In case your paper is accepted, you will be invited to present your submitted paper at ICHD2016 conference orally or by poster.

There is no limitation in the number of abstracts submitted per author; however, a maximum of two platform presentations by the same author will be accepted.

2. GENERAL REQUIREMENTS

2.1 Paper Format

This page is formatted in an **A4 Standard size**. The recommendations for the margins are the following: left margin = 25 mm, right margin = 25 mm, top margin = 25 mm, and bottom margin = 25 mm.

2.2 Paper Length

Papers including all figures and tables must not exceed 10 pages.

3. WORD PROCESSING

3.1 Font Type and Size

All text must be **12 point Times New Roman font**.

3.2 Language

Papers must be written in English.

3.3 Text Format

All text should be **single-spaced**. The text should be **fully right and left justified**. Main Headings and Subheadings in this sample document are already formatted to provide the required spacing.

Use **two separation lines** with the following:

- Immediately after Authors' names and addresses

Use **one separation line** with the following:

- Immediately after paper title
- Immediately before and after equations
- Immediately before and after Tables
- Immediately before and after Figures
- Between Paragraphs

3.4 Equations

Place equations and formulae centred in separate lines. Number Equations consecutively with the equation number placed flush to the right margin in parenthesis. Example of equation:

$$KU = F \quad (1)$$

4. FIGURES AND TABLES

The number of tables and figures should be limited. Figures and Tables should be referred to in text as figures using Arabic numerals e.g. Fig. 1, Table 1 etc, in order of appearance. Captions should be bold and centred immediately below illustrations and tables. Example of caption:

Figure 1 - Caption

5. REFERENCES

References should be cited in the order in which they appear in the text and indicated with a number in square brackets in the text at the relevant point e.g. [1].

The following are examples of style:

1. Dulieu-Barton, J.M. and Quinn, S. (1988) Thermoelastic stress analysis of oblique holes in flat plates. *Int. J. of Mech. Sci.* 41, 557-546
2. Broberg, K.B. (1999) Cracks and Fracture. *Cambridge University Press*, Cambridge
3. Lesniak, J.R. and Boyce, B.R. (1994) A high speed differential thermography camera. *Proc. SEM Spring Conf. on Exp. Mechanics*, Baltimore, 491-497
